Bryan Canary

RE: Lawyer: David Knox Tinkler, Esquire  
Case Number: 16-DE-L-0223

Dear Mr. Canary:

We have received and reviewed your complaint against David Knox Tinkler, Esquire. The authority of this office and the jurisdiction of the Commission on Lawyer Conduct concerning complaints against lawyers are limited to issues of whether a lawyer has committed misconduct or is incapacitated within the guidelines of the Rules for Lawyer Disciplinary Enforcement, Rule 413, SCACR, adopted by the Supreme Court of South Carolina.

These rules do not apply to matters related to whether or not the outcome of a case handled by a lawyer was fair. We do not have authority to intervene in any matter presently pending before a court or to change the outcome of the decision of a court. These are legal matters that must be addressed by you to the court or raised by you on appeal using appropriate appellate procedures.

In addition, this office does not seek to get a lawyer to do something a person wants done. We cannot give advice about your case or the legal system in general. This is not a place for an individual to seek relief, but a place where institutional values are promoted for the good of everyone who has dealings with our legal system.

We find that the allegations you have raised involve legal matters having to do with the actions of Bank of America and until the matters are litigated would not constitute misconduct or incapacity under these rules and, as such, are not within the jurisdiction of this office. For this reason, your complaint is dismissed pursuant to the provisions of Rule 413-19(a), SCACR.

Sincerely,

William C. Campbell
